Dear Subscribers:

This letter is to inform you that effective November 1, 2016, Colorado Choice Health Plans will charge a \$25 fee for each incident when an automatic draft or check is denied or returned for insufficient funds. This fee is in addition to any fees your financial institution may charge you. Your monthly premium is due on the 15<sup>th</sup> of the month prior to coverage.

If you have signed up for automatic draft, we normally draft between the 18<sup>th</sup> – 22<sup>nd</sup> of each month. If your ACH is returned, we will attempt to redraft your account for the premium that was due and the ACH return fee. If your ACH or check is returned a second time your coverage will be subject to termination for nonpayment of premium.

Sincerely,

Martin Catron  
Chief Financial Officer
